CentreGOP.org

Across Centre County, people are excited again about the Republican Party and our renewed commitment to the principles and ideals that made our country great.

To harness that energy, we've established a membership program, The Republican Leadership Council (RLC), that brings together individuals, business and community leaders who will substantially underwrite the operations of our County Headquarters. RLC members provide the foundation for supporting our work and influence at the grassroots level and are the backbone of our fundraising efforts.

Please take a few minutes to review the Republican Leadership Council levels and the benefits contained in each. Then select the level at which you would like to participate.

Your membership in the Centre County Republican Party is critical to our volunteers, to our candidates and to our ability to defend what is best about our community and preserve our values for generations to come.

Join us. Together, we *will* win: one vote, one neighborhood and one community at a time.

Best wishes,

Jennifer Myers  
Chairman
